BABIES

Some Babies, Yes!

Look good, Yes! Assortment good, Sure! Whynot order

now while the good varieties are gettable. Do it now for early December St Louis delivery. We pay freight to St Louis, also guarantee quality and condition of arrival; you pay the rest of the way.

Whynot buy from the Grower direct. Our Polyantha Forcers are equal to the best, and are money-makers.

Whynot do it now; Echo, Poulsen, Teschendorf and others; send want-list at once. The "Mediums" are about all sold but we still have a good assortment in the First Grade.

These Roses are grown in our open fields thru two summers and the strong canes are continually pinched-back, making a strong bushy plant with four or more branches.

We want you to have the current Seasons Price List offering a large assortment of Hybrid Teas, etc, etc. Whynot ask us to send this List also a copy of our Ready Reference Booklet. We specially want you to carefully consider our 1½ grade "Mediums" offered in this list; they also are money-makers. The General Assortment harvest does not begin until Christmas time.

HOWARD ROSE COMPANY

Terms—Our terms are cash, or satisfactory references before shipment. To established nurserymen, seedmen, florists and dealers known to us, or to those who have necessary rating, credit will be granted as follows: 60 days net f.o.b. Hemet, California; or for cash (with order or before shipment) 3% discount allowed; if paid in 10 days 2% allowed; if paid in 30 days, 1% allowed. After 30 days no discount whatsoever.

To the Trade Only—Prices shown are for first-class stock of the grade named.

The use of printed stationery as protection is desirable. If it is not used, the purchaser should state clearly his position. We print only wholesale trade lists, and do not desire or solicit retail orders.

Substitution—We do not substitute unless instructed to do so, and then label true name. Customers will save time by naming a second choice, to be supplied only when first choice is sold out.

Pro Rata—As it is almost impossible to count Roses in the field when partly grown, there is a feature of uncertainty about all orders booked before digging. Consequently we reserve the right to fill such pro rata.

Genuineness—We exercise great care to keep all varieties true to name and will replace on proper proof, all stock that may prove otherwise; but it is mutually agreed that we shall not be liable for any amount greater than the original price of the stock. All quotations made subject to stock being unsold when order is received, or loss by any and all unavoidable causes. Freight shipments travel at risk of purchaser.
